We invite you to avail yourself to these competitive opportunities where you can meet other like-minded people, learn from more experienced players, or simply see how you stack up against everyone else. Our weekly leagues feature one round of either singles or doubles. We play hard in Kansas City, but the competition remains friendly. It's our goal in 2008 to get more players to test the competitive waters. Most tournaments and many of our leagues have divisions based on skill level, gender, and/or age. Entry fees for most of our weekly events are \$5.00, with both cash and discs as prizes. Please note that during all tournaments, the course is reserved for tournament competitors only. Usually, the courses for league play will not be closed, per se. However we ask that non-league players allow league participants the right of way.		Help keep our courses clean by putting all bottle caps, beverage containers, cigarette butts, dog poop, etc. into trash cans. Thanks!
