

Kansas City Ice Bowl XXIII

Rosedale Park • January 31, 2010* • Registration Opens—8 a.m.

1st Round: Please form your group and start play (one 18-hole round on either course.) no later than 10:30 a.m. Please limit your groups to no more than 5 players.

Communal** Lunch and CTP*** Contest: Noon to 2:30 p.m.

2nd Round (nine holes): about 2:45 p.m.

Ice Bowl XXIII is a fundraiser for the Bishop Sullivan Center (bishopsullivan.org), which is the largest single site provider of emergency assistance in the Kansas City area. Its mission is to provide basic necessities to people who are unable to do so and to move those who are able to become self-sufficient. Last year we raised \$4,300. Let's beat that this year!

*An Ice Bowl cannot be postponed because of the weather, and there are no excuses for not attending!

**Please bring food to share: chili (you're automatically entered in the chili contest

and could win the grand prize) veggies, side dishes, desserts, chips, etc. The KCFDC will provide beverages, plates, bowls, utensils, etc. A generator will be onsite ensuring power.

***Please bring prizes (they don't have to be disc golf related) to donate to the CTP contest. Top prize so far: Innova Traveler (value of \$140). For more info, contact Rick at 816.471.3472 or rick@discgolfworld.com.

ABOUT ICE BOWL IN KANSAS CITY

The KC Ice Bowl is more about friends, fun, and charity than pure competition. Here's how it works.

1. Register at the shelter and get your individual scorecard, your disc, and mini set. You can also purchase clothing, other discs, mulligans, and CTP tickets.

2. Form a group of no more than 5 people (we

may actually try to enforce this this year.) We can also find a group for you as needed. Play 18 holes on either course, All play needs to begin no later than 10:30 a.m.

3. When done, turn in your scorecard. Please let the TD know if YOU ARE NOT PLAYING THE SECOND ROUND, have some lunch, participate in the CTP contest, and play some mini golf.

4. Players will be ranked by their scores from the first round, which means you'll be very closely matched with the others on your card. You'll play either the front or back nine (or possibly 9 Down Under). The player on each card with the best total score wins a DX disc. The person with the very best score is the Ice Bowl Champion and gets to keep the traveling trophy for one year.
